Sugar Grove Library Friend and former Sugar Grove Park District Board Member Eleanor Rzeminski invites us to [The American Daughters of Sweden](#) noon luncheon on Saturday, **March 13, 2010** at St. Mark's Lutheran Church, 27 S. Edgelawn, Aurora. Lunch buffet prepared by Catering Gourmets of Sugar Grove will include Salmon with Lemon Dill Sauce and Breaded Pork Tenderloin. Cost is \$22 per person. Reservation must be received by Monday, March 8, 2010. Please call Eleanor Rzeminski to reserve your spot at 630-466-7439. The program will be about the Viking ship that was built as an exact replica of the ships that brought Vikings to North America a thousand years ago. The ship sailed from Norway in 1893 all the way to Chicago and was featured at the World's Columbian Exposition. The story is amazing and exciting. It will be told in presentation by Lorraine Straw, president of Friends of the Viking Ship. The ship languished on the shore of Lake Michigan in Lincoln Park for decades until it was rescued and moved to its 'mooring' in Good Templar Park, Geneva, IL. Now a grant aids in the authentic restoration of this historic vessel.

Sugar Grove Library Friend and mom to Cole, Julie Rutter, shares Cole's progress and his event with us all! <http://www.firstgiving.com/colenf> I found the following on the website:

A note from Cole - *I am 11 years old and was diagnosed with NF when I was 2. Last year I played spring and fall baseball. I would play baseball every day if it didn't snow. I want to play baseball for the Chicago Cubs when I grow up. I go to therapy every week and wear a leg brace at night. The brace and therapy help me gain strength in my legs so that I can hit a baseball better and run faster. You have to run really fast to be a Chicago Cub's baseball player! I have been very lucky in that I have been spared many of the serious complications that are seen with a diagnosis of NF. If you have a moment watch the video on the site to "Help is on the way".*

Another new business operated by Sugar Grove Residents!

Ann Pullano shares with us about the new Microtax accounting and tax services firm right in town as you enter off Rt. 47 and turn left like you were going to the Fireside Restaurant. Microtax is located at 91 Sugar Lane and it is owned and operated by Sugar Grove residents. They are also a member of the Sugar Grove Chamber of Commerce.

2010 Corn Boil

Corn Boil volunteers are meeting again on a monthly basis and they are always looking for people to come and see what it is all about. The next meeting is on March 18th at the Sugar Grove Library and it starts at 6PM. Come to just see us in action, or to volunteer or even to find out about sponsorship. We need all the help we can get! The Corn Boil group meets every 3rd Thursday of each month and the new meeting place will be the library.

Library Friends - The Library Friends meet every month at the Sugar Grove Public Library on the first Monday of each month (the library is closed but we are allowed to use the large meeting room.) We are meeting tonight at 7PM. *Also a special meeting is being held on for those who would be interested in helping us with the 2010 November Holiday Designer Showcase. The meeting will be held at the American Heartland Bank and Trust at 799 Heartland Drive (another local business) in Sugar Grove. The meeting date is March 22, 2010 at 10am. Please join us if you would like to find out how you can help.*

We could still use some volunteers in the Used Book Store on Friday from 8am til 10am and Saturday morning from 8am til 9am.

The Swatek Family tells us: Subject: help provide a free mammogram to a woman in need.

Please tell ten friends to tell ten today! The Breast Cancer site is having trouble getting enough people to click on their site daily to meet their quota of donating at least one free mammogram a day to an underprivileged woman. It takes less than a minute to go to their site and click on 'donating a mammogram' for free (pink window in the middle). This doesn't cost you a thing. Their corporate sponsors/advertisers use the number of daily visits to donate mammogram in exchange for advertising. Here's the web site! Pass it along to people you know.
